Office clean

A clean work place is a happy work place. A happy employee is a productive employee

We understand that keeping your work place clean is of great importance as you spend over 8 hours a day at office. We also know that it is not easy to keep your office clean due to the number of people at office every day. It takes a lot more than the occasional wiping of the dust or the even rarer reluctant mopping of the office to keep it sparkling clean.

No matter what size of premises or number of employees, clients you have, Mitevacleaning can develop an office cleaning regime for you, which best suites your needs and requirements. Our current client portfolio includes office buildings and restaurants.

Flexible in our work we identify our client's needs and provide office cleaning to your requirements and work outside normal office hours at evenings and weekends to make sure your cleaning requirements fulfilled to the fullest.

At present we provide cleaning services to commercial establishments on a daily, bi-weekly and weekly basis.

We shall provide reliable, attentive, diligent and professional cleaners that are friendly and approachable.
